### III. Policy Statement

Grand Rapids Community College (GRCC), comprised of its Main/Devos, Leslie E. Tassell M-TEC, GRCC Lakeshore Campuses, and other sites contemplated by this policy, (collectively, GRCC or the College) is committed to creating and maintaining a safe campus community that is free from violence. It is the policy of the College to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, 20 U.S.C. § 1092(f), as amended (the Act or Clery Act), and the Act's implementing regulations, 34 C.F.R. 668.46 (the Clery Regulations).

### IV. Reason for Policy

The Clery Act is a federal law that requires Title IV federally subsidized institutions of higher education to disclose certain crime and safety information in publicly available documents. In accordance with the Clery Act and Clery Regulations, the College strives to provide students, faculty, and staff with access to accurate and timely information about Clery crimes reported to have occurred within the College's Clery geography; access to college-wide safety and security policies and procedures; and a process for victims and witnesses that maintains confidentiality to the extent college policy and applicable federal, state, and local laws allow. The College is committed to protecting the privacy of individuals involved in the reporting, investigation, and resolution of incidents of crime.

X. Procedures

A. This policy requires the College, by and through the GRCC Police Department, to perform the following on an annual basis:

1. Identify, notify, and provide mandatory training to CSAs concerning their crime reporting obligations. All schools, divisions, departments, and other units will cooperate in College efforts to identify CSAs.

2. Request and collect reports of crimes made to CSAs and other municipal, county, and state law enforcement agencies.
3. Publish and provide access to a daily crime log that includes all criminal incidents and alleged criminal incidents reported to the GRCC Police Department if they occurred within the College's patrol and response jurisdiction. The daily crime log is updated at least every forty-eight (48) hours by the GRCC Police Department.
4. Compile statistics of reported Clery Act crimes alleged to have occurred on or in the College's Clery geography as reported to CSAs and other law enforcement.
5. Report Clery crime statistics to the United States Department of Education.
6. By October 1<sup>st</sup> of each year, or as otherwise required by law, publish the College's ASR pursuant to the requirements of the Clery Act. The ASR will be made available on the College's website and electronically provided to all students and employees. A hard copy of the ASR may be obtained by contacting the GRCC Police Department.
7. Publish and test emergency notification and evacuation procedures.
8. Confirm Distribution of emergency communications concerning reported emergencies, dangerous situations, or criminal incidents that pose an immediate, serious, or continuing threat to the campus community depending on the nature and location of the threat reported and subject to certain exemptions under the Clery Act.
9. Provide (where necessary, in conjunction with other appropriate College personnel) and track programming and education to the campus community on crime prevention and security awareness. Topics may include, but are not limited to sexual assault, domestic and dating violence, stalking awareness, bystander intervention, and active shooter training.
10. Retain all records related to compliance with the above-stated requirements for a minimum of seven (7) years for Clery Act compliance purposes.

B. This Policy requires any individual identified and notified as a CSA by the GRCC Police Department to perform the following on an annual basis:

1. Training: Access and complete mandatory training to CSAs concerning their crime reporting obligations (non-compliance with training will be reported to the employee's supervisor for resolution; continued non-compliance may result in corrective action).

2. Reporting: Immediately and no later than twenty-four (24) hours of receiving the information, report all crimes (including alleged or suspected crimes) to the GRCC Police Department. This information should be reported by completing and submitting an electronic report form or by contacting the GRCC Police Department at (616) 234-4910. Anyone aware of an in-progress crime or emergency should immediately call 911 or contact the GRCC Police Department.

Timeliness of CSA reporting is critically important to the College's ability to make appropriate decisions regarding the issuance of timely warnings or emergency notifications concerning incidents that indicate potential ongoing danger to the campus community. Timeliness of CSA reporting is also critically important to the College's ability to comply with disclosure requirements.
