Sole Source: A single supplier that controls the supply of products or services in a defined market. Typically the product of market conditions such as: technology leadership, patent protection, limited or exclusive distributorship, etc.

Single Source: Supplier selection is determined by objective business decisions such as: leveraged volume purchase contracts, standardization programs, OEM (original equipment manufacturer) parts/service, just in time delivery requirements, etc.

Vision: GRCC provides relevant educational opportunities that are responsive to the needs of the community and inspires students to meet economic, social and environmental challenges to become active participants in shaping the world of the future.

Mission: GRCC is an open access college that prepares individuals to attain their goals and contribute to the community.

Values:

Excellence – We commit to the highest standards in our learning and working environment.

Diversity – We create an inclusive, welcoming, and respectful environment that recognizes the value, diversity, and dignity of each person.

Responsiveness – We anticipate and address the needs of students, colleagues, and community.

Innovation – We seek creative solutions through collaboration, experimentation, and adaptation.

Accountability – We set benchmarks and outcomes to frame our decision-making, measure our performance, and evaluate our results.

Sustainability – We use resources in responsible ways to achieve balance among our social, economic, and environmental practices and policies.

Respect – We treat others with courtesy, consideration, and civility.

Integrity – We commit to GRCC values and take personal responsibility for our words and actions.

Strategic Goals:

Strategic Goal #1: Teaching and Learning– The College develops curriculum and curriculum delivery, and supports instruction that measurably improves student learning..

Strategic Goal #2: Completion and Transfer – The College sustains and continuously improves our focus on successful student goal achievement whether that be completion of a degree/ credential, transfer to another college, or personal interest/skill attainment

Strategic Goal #3: The College works to create and support equitable practices across the institution to remove barriers and ensure high comparable outcomes for all identifiable groups.

Strategic Goal #4: The College seeks to positively impact the community by educating and training students with relevant skills so that they are retained in the service region holding living-wage jobs, as well as through collaborations/ events with education and community partners.

Strategic Goal #5: The College effectively plans for and uses our resources to preserve and enhance the institution.

Grand Rapids Community College creates an inclusive learning and working environment that recognizes the value and dignity of each person. It is the policy and practice of GRCC to provide equal educational and employment opportunities regardless of age, race, color, religion, marital status, sex/gender, pregnancy, sexual orientation, gender identity, gender expression, height, weight, national origin, disability, political affiliation, familial status, veteran status or genetics in all programs, activities, services, employment and advancement including admissions to, access to, treatment in, or compensation in employment as required by state and federal law. GRCC is committed to reviewing all aspects of GRCC programs, activities, services and employment, including recruitment, selection, retention and promotion to identify and eliminate barriers in order to prevent discrimination on the basis of the listed protected characteristics. The college will not tolerate any form of retaliation against any person for bringing charges of discrimination or participating in an investigation.
